

Dear Alumni,

The 512 China Earthquake will require tremendous resources to provide urgent helps to the earthquake victims and the long term rebuilding efforts. The Pui Ying Alumni Association of Southern California (PYAASC) committee has approved to setup a victim relief fund from our Association. The Association will collect fund contributions from the participating members and keep track of the total donations. After June 30, 2008, PYAASC will issue a check for the total donation amount directly to the Chinese Consulate in L. A. The funds will be used entirely on the relief projects such that it will not go through any humanitarian agency that may require handling/management fees.

If you are interested in participating in this relief effort, please follow the instructions below.

1. Make your check payable to PUI YING ALUMNI & ALUMNAE FOUNDATION OF SO CALIFORNIA and write "512 China Earthquake Relief" on the memo part of the check. Your check donation is tax deductible.
2. Send your check before June 30, 2008 to:

Law Office of Keung Wong
805 So. Atlantic Blvd.
Monterey Park, Ca. 91754

3. Mr. Wong will record the donation amount and send you a record and tax ID for income tax filing.
4. A report will be generated to summarize the contributions from the members.

Thank you for your generosity.

Chris
